

The airways should  
be used to benefit  
the public - not to  
mislead the public  
into voting for  
those who will  
improve the bottom  
line of those who  
own stations.

The fact that  
Sinclair will be  
taking off regular  
programming to give  
free advertising to  
a single candidate  
is exactly why there  
must be more  
regulation of the  
airways.

This is anti-public,  
it is anti-democracy  
and it is anti-  
american. We have  
no business  
"promoting"  
democracy overseas  
until we can  
demonstrate that we  
believe in it here.

Giving a voice only  
to wealthy  
corporations and  
individuals,  
allowing our media  
to be dominated by  
only a select few,  
and essentially  
allowing decisions  
to be made by the  
wealthy and powerful  
for the benefit of  
the wealthy and  
powerful must stop.
